

INTERNATIONAL COURSE 2025-03

Eduardo Anitua Institute (Spain)

Dr. Eduardo Anitua MD, DDS, PHD

A biological approach to Implantology

Dates

March 17 to 21, 2025

Program

- BTI Biotechnology:
 - The approach to implantology according to the knowledge and techniques of the Biotechnology Institute.
- Live Surgeries of Complex Rehabilitations with Dr. E. Anitua.
- Diagnosis and Digital Treatment Planning.
- A Biological Approach to Implant Osteotomy Drilling technique without irrigation and implants insertion protocols.
- PRGF-ENDORET® Technology:
 - Growth factors, scientific bases and clinical works.
- Advanced Surgical Techniques:
 - Treatment of atrophic jaws (expansion and split techniques, sinus lift, vertical growth,...).
- Innovative concepts in biomechanics (short implants, immediate loading,...).
- Surgical Technique for Sinus Lift:
 - Indications and protocol for sinus lift
 - Complications and complications management in sinus lift.
 - Alternative approach to sinus lift (short implants and crestal approach).
- Immediate Loading and Complex Rehabilitation using the BTI Technique:
- Indications and protocols for immediate loading.
- Planning single tooth, partial and full edentulism rehabilitation.

Hands On

- PRGF-ENDORET® technology: obtaining protocol.
- PRGF-ENDORET® manipulation: obtaining grafts and fibrin membranes.
- Drilling protocol and implant placement and extraction on models.
- Treatment planning using BTI Scan® 4 software.
- Block Grafts.

MORE INFORMATION

Objective

The BTI seminar includes a 5 day intensive course presenting a new Biological Approach to Implantology based on the most recent data and techniques developed by the Biotechnology Institute.

The educational objective of the course is to offer the attendees an innovative working method and predictable protocols which are the result of advanced scientific research and extensive clinical experience. The seminars are based on a complete and multidisciplinary approach starting from the treatment planning phase to bone rege-

neration techniques. They also focus on necessary protocols for the treatment of complex rehabilitations through live surgeries in closed circuit, practical workshops and specialized conferences coordinated by Dr. E. Anitua and his team of experts.

Doctors attending the seminars will obtain customized training and will be exposed to the modern facilities offered by the prestigious BTI Training Center "Instituto Eduardo Anitua" in Vitoria-Gasteiz (SPAIN)."

Certification

Participants will receive a Certificate of Attendance (40 CEU credits).

Sponsored by:

BTI of North America

Approved PACE Program Provider FAGD/MAGD Credit Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement (4/1/2019 to 3/31/2022).

** Given the limited number of seats enrollment is compulsory*

*** The information and data included in this program is updated at the time of printing and may vary.*

Scientific director

Dr. Eduardo Anitua

MD · DDS · PHD

Scientific director of BTI Biotechnology Institute.

Registration

\$6370 CAD / attendant

Includes:

- Professional information packets
- Research articles
- Transfer from and to the international airport of Bilbao (Spain)
- 6 nights accommodation (breakfast included)
- Coffee breaks, lunches, welcome and farewell events

**Eduardo Anitua Institute
BTI Training Centre**

Vitoria-Gasteiz (Álava) Spain

BTI BIOTECHNOLOGY will notify one month in advance if the course has not reached the minimum number attendance to be held.

MORE INFORMATION

Promotion 1

Buy 35 implants (at regular price)

Receive the following:

- **50% OFF** on BTI 5 Days – Spain Seminar
- **FREE** Surgical Tray (KCQ1)
- **FREE** Surgical & Prosthetic Torque Wrench

SAVE \$6,245 CAD

Promotion 2

Buy 50 implants (at regular price)

Receive the following:

- **FREE** BTI 5 Days – Spain Seminar
- **FREE** Surgical Tray (KCQ1)
- **FREE** Surgical & Prosthetic Torque Wrench

SAVE \$9,430 CAD

Offers valid until December 27, 2024 – Limit: 1 offer per dentist

Cancellations must be made in writing 45 days prior to the event for a full refund except the air ticket cancellation fee, after that date there will be a \$1,950 cancellation fee plus air ticket cancellation fee. A \$130 administrative fee will also be charged for substituting a registrant.
